Trusting God's Timing and Provision

Dear Friends, Family, and Ministry Partners,

We continue to give thanks for the Lord's faithful hand at work in our lives during this season of transition. Your prayers, encouragement, and generous financial support—especially from those who have given above and beyond during this time without a regular paycheck—mean more to us than we can fully express. Truly, we are upheld by your partnership and God's sustaining grace.

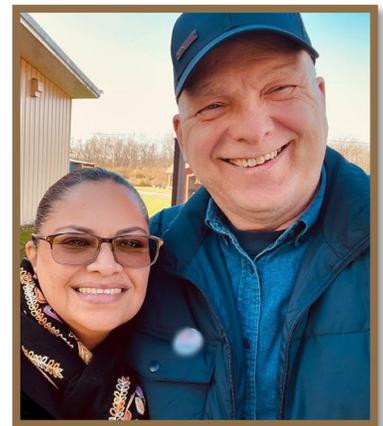

Ministry & Position Search Update

I am currently in the interview process for leadership positions with schools and ministries in Buffalo, NY, Houston, TX, and several in the Atlanta, GA area. Each of these opportunities presents unique needs and challenges, and we are seeking clear discernment from both the leaders of these ministries and from us as we consider where God would have us serve next. It is my prayer and hope that the Lord will open the door to what I consider a "capstone" position in my educational and ministry career—one where we can invest deeply for the foreseeable future, bringing the years of diverse experience God has given us into fruitful service for His kingdom.

Family Updates

Please continue to lift up Tannia as she diligently works to complete her Master's in Education. This has been a significant undertaking, alongside the demands of this season, and I am incredibly proud of her commitment to both our family and her calling.

Emma remains in Quito, Ecuador, living with Tannia's mother and sister, where she is receiving the high level of medical and therapeutic support that she needs. We are grateful beyond words for their care and sacrifice in helping provide the environment in which Emma is able to flourish. Meanwhile, we are in the process of packing up our household goods in Houghton, preparing for the next steps as soon as the Lord's direction becomes clearer.

Gratitude & Prayer Requests

- Thanksgiving for those who are standing with us financially and prayerfully during this uncertain but faith-filled season.
- Prayers for wisdom and clarity in the interview processes currently underway.
- Strength and perseverance for Tannia as she completes her graduate studies.
- Ongoing provision and growth for Emma, along with health and strength for her caregivers in Quito.

We close with the reminder from **Proverbs 3:5–6**: *"Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge Him, and He will make straight your paths."* This is the theme we cling to as we await God's timing and perfect plan.

With heartfelt gratitude

Dr. Toby A. Travis and Tannia
