

Toby providing professional development training at Lincoln Christian School in Guadalajara, Mexico

INTERNATIONAL CHRISTIAN SCHOOLS ARE THE MOST EFFECTIVE MINISTRIES IN GLOBAL MISSIONS

Research in international missions has shown that **Christian schools possess the greatest potential of all forms of ministry to support the “Great Commission” of Jesus Christ** (i.e. making disciples). However, the majority of Christian schools in Latin America lack the resources and the training needed to fulfill their potential - and this is **why we need your support**.

As you know, for many years our ministry has focused on the country of Ecuador. Now, **our ministry extends throughout Latin America and beyond**.

My formal training is in Theology and Education – and I am thrilled to announce that I just recently completed my doctorate in School Administration! Over the past 10 years I have also secured certifications in *International School Leadership, Child Safety & Protection*, as a school *Superintendent*, and as a *Trust Edge Facilitator*. All of this has prepared me to deliver training and professional development to Christian schools throughout Latin America; **training which these schools desperately need, but would not have access too without your generous support**.

Over the past few months, opportunities for ministry have taken me to Paraguay, Panama, and Mexico (see photos on the other side). Here are just some of the responses I have received following these recent training events:

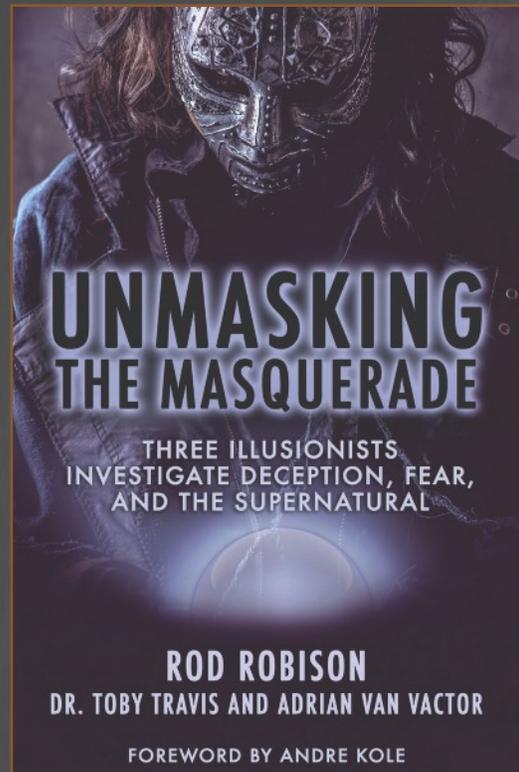

*“Toby’s visit definitely **came at a timely moment** in the life of our school - and he has a **gift for motivating others!**”*

*“Toby’s training was **relevant and actionable**... not just listening to theory. Following the training, each of our school leaders who attended were **bursting to share and implement what they learned.**”*

*“You have **helped our school more than could have ever been expected!**”*

*“**Wow!** This training **changed** not just my professional work at school - but my ministry and **my LIFE!** Thank you!”*

Really, a **BIG PORTION** of the thanks goes to YOU. I would not be able to serve these schools if it were not for your support! So, **THANK YOU** for helping us to help so many others! - Toby

NEW BOOK SOON TO BE RELEASED

Although my primary ministry has been in the field of Christian Education for the past 10 years, my “roots” as an entertainer and illusionist just won’t go away! For about the last 15 years, my good friend and talented Christian illusionist, Rod Robison (see <http://mentallusions.com>), has been working on a book about deception, fear, and the supernatural; in which I contributed several chapters. Well, a publisher has finally picked up Rob’s book and it will be coming out in January 2017! If you would like to follow the release of the book, please LIKE the book’s page on Facebook here:

IMMIGRATION VISAS

Last month we entered into the process of securing immigration visas for Tannia and Emma, so that in the future we can immigrate as a family to the USA. In fact, it has been over 6 weeks since we filed the initial papers, and although we have received a notice of receipt from the government, no other progress has yet occurred.

In addition, recently Toby received an invitation to serve as the Headmaster of a Christian school in the States; a school that would also permit our continued ministry in Latin America with *Ripe For Harvest*. In order for us to consider this opportunity the visas are imperative.

Your prayers for a speedy process are deeply and sincerely appreciated.

Thank you!
