February, 2018

Dear Friends,

Over the course of this past month, we have been making preparations for re-launching several ministries which have been central to the effectiveness of our ministry over the years.

Perhaps one of the most impactful elements of our ministry, during the years we were based in Quito, Ecuador, was what we called “CaFaith.”

The ministry of CAFAITH consisted of sharing a meal with a group of spiritual seekers, and exploring what it means to authentically follow Jesus Christ, all within a highly interactive and fully bi-lingual setting of studying the Scriptures. Through this ministry we witnessed the spiritual growth and development of many; especially those who had been disenfranchised by the organized church in some way.

It was never really our intent to plant a “house church” - but in many respects, that is exactly what the ministry evolved into. When we moved from Quito to the coast of Ecuador in 2015, leaving the ministry of CAFAITH behind was perhaps one of the most difficult elements for us personally.

CONEXIÓN3

Now, here in Tucson, we are aligned with another bi-lingual ministry, a church plant called CONEXION3, and we are so very excited to announce that together **we are launching a new version of CAFAITH in just a few weeks!** As we begin this new chapter of our ministry, hosted within our

new home, your continued prayers and support are deeply appreciated. We have already made connections with a number of bi-lingual families, who are hungry for a deeper understanding of the Word, and living a life that genuinely reflects that understanding.

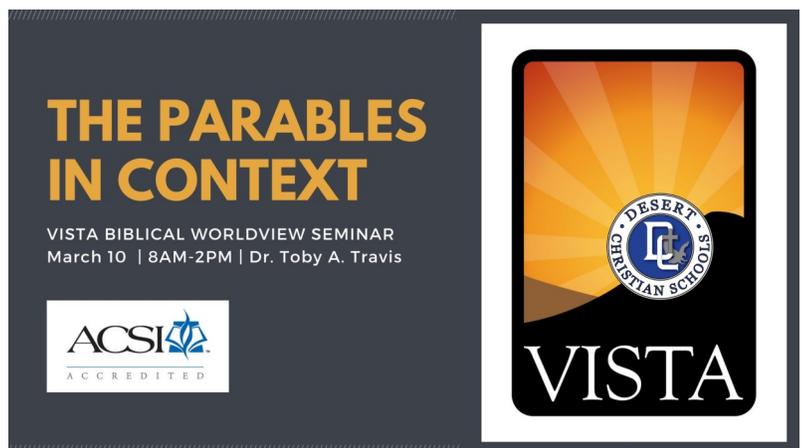

We are also so very pleased to announce the re-launching of the VISTA SEMINARS.

Now, as an extension of the ministry of Desert Christian Schools, the VISTA SEMINARS will continue to provide ACSI accredited Continuing Education Units in Bible and Theology for Christian educators, and anyone interested in developing a distinctively Christian worldview. Toby will be serving as the facilitator and lead instructor on March 10th, as he once again presents “*The Parables in Context.*” You can learn more by visiting:

So, as we march into the month of March with the re-launching of these two key ministries, praise God with us for the opportunities—and also pray that many will be impacted for the Kingdom!

- Toby, Tannia, & Emma too!
