

THANK YOU! Your faithful generosity & encouragement are fueling us as we trust God in this season of support raising and embrace His timing for when we will move to our ministry at University of Missouri! As soon as we are at full support we will move to Columbia, MO.

We have certainty but not clarity...

We have **certainty**, meaning that we know with confidence that God is leading us to serve Him in ministering to the athletic department at University of Missouri. What we don't have is **clarity**. We don't exactly know how He is going to fulfill His call and make it a reality or in what time frame. We are learning more and more how to walk by faith in this tough season. We have been finding comfort and exhortation from those who have gone before us in the Bible like Abraham, Joshua & Mary. We are seeing through them that this is often how God leads His children. He takes us into circumstances, even storms, that we cannot see our way through, but He holds our hand and shows us how to keep our eyes locked on Him and depend on His character. He is helping us to know Him more intimately.

2 Cor 5:7... "For we live by faith, not by sight."

Our support goal... Currently we need to develop **\$2,600** more in monthly (or annual) giving to cover our insurance, living and ministry expenses. Whether that is 26 people at \$100/ month or 87 people at \$30/ month we don't know, but God does! He has been so faithful and been moving as **He has already provided \$1,400 of the monthly support we had originally been needing!** Please pray for us in this process and for the details that go into that. If you would like to know more about how you can help us with this raising support area, please contact us.

Our status... As we are learning these lessons, we are also investing lots of time in pursuing opportunities to connect with people and share about how God could use them to partner with us as a team in ministry. We have been living in transition as this requires a lot of traveling.

We have also had the opportunity to begin serving with the Buxman family (who are on staff with AIA and we will join in ministry at Mizzou) through prayers. Each week we skype for prayer and lift up what God is doing and will continue to do at University of Missouri!

Your generosity is very appreciated.
THANK YOU! We are so grateful for how you partner with us in serving the Lord!
