

Celebrating what God has done!

We are ECSTATIC to share with you that God has been answering prayers and providing in ways that we never could have imagined! He has provided the finances we need to be able to begin our ministry at University of Missouri. Thanks for your huge part in sending us to Mizzou and keeping us on the mission field! We are so blessed by how God uses you as His instruments of blessing in our lives & ministry. It was an intense season of support raising, but He is worthy and has cared for us in the journey. While we know that financial maintenance will always be part of our ministry roles, we are THANKFUL for Him bringing us back to the heart of what we love most: serving and ministering thru the platform of sports.

What we've been learning...

Colossians 1:17 "He is before all things, and in Him all things hold together." The Lord goes ahead of us and invites us to join Him in what He is doing. He orders our steps and guides us with His love & truth moment by moment. He has been doing this and will continue to be faithful in this promise in our new chapter of trusting Him to set up our lives and ministry in Columbia, Missouri. Please pray with us that we would keep this truth as our anchor.
