

## Finishing Strong

God has been encouraging us in big ways over the past few months through the "fruit" He has been producing in the harvest field. At Thomas Hassall, some exciting news is that Calum has trusted Jesus as his Savior and has been seeking to grow in how to study the Bible to apply his new faith to his daily life! Kyle has also seen Foxy taking big steps of faith and boldness as he shares the Gospel with the athletes that he is mentoring and serving. Also Al, a guy that Kyle has gotten to lead over the past few months, is having a huge spiritual impact on his rugby team. God is using this to encourage him to consider full-time sports ministry for his future. Please pray for Al as He seeks the Lord for His plans.

Jayne had the opportunity to visit and have quality time with Libby, the soccer player she has been long-distance discipling. It was special how God used this face-to-face time to take their relationship deeper, but also to have the opportunity to process some big changes and challenges Libby is trusting the Lord through. Please pray for Libby as she considers serving overseas!

We are so thankful that the Lord allowed us to have this season of serving Him here in Australia and be part of what He has been doing. It is sad to finish here, but we are excited for how He will continue to use us in our next role with AIA!

**Thanking the Lord for:** The ways He moved in and thru us in our time here in Australia.

**Please pray for:** Our transition and move back to the USA. Pray especially for AJ as his world gets flipped upside-down and as we have lots of long flights and car trips ahead.

Financial provision for ministry expenses

## What's Next For Team Wenig?

This next season of ministry we will be serving at AIA's headquarters in Xenia, OH. This will be a short-term assignment as we seek the Lord for where He wants to use us next with AIA. We will share more with you about our new role in our next update. Please pray that God would order our hearts, minds, and steps over these next few months.

## Support Needs

While we're thankful for how God has been providing for our needs, we wanted to share with you some places that we're continuing to trust Him to supply for us.

As we return to the USA, our immediate financial need is about \$2000 for transition costs (plane tickets & moving expenses). In the weeks ahead, we will also need to raise about \$600 more of monthly giving to be at full support.

We appreciate all that you already do, but we also know some people choose to give end of the year gifts. These are a significant way that God meets our needs. 2011 year-end gifts will help towards the above goal.

As we enter the holiday season and celebrate Thanksgiving, we are thankful for YOU! Wishing you a Merry Christmas! You are in our thoughts & prayers! Kyle, Jayne & AJ

Your generosity is so appreciated!
