

**X PROJECT 2013:** We are LOVING the opportunity to be serving athletes again! This summer, our ministry assignment is working with a group of 17 college students who are seeking to get work experience in their area of study through an internship at AIA headquarters here in Xenia (thus calling it X project). They get on-the-job training and professional development, but also are getting spiritual growth and living in Christian community. We have been leading them in ministry training and spending quality time together as a "project family". We are studying the book of Daniel in small group Bible studies and also have the privilege of discipling several of these young men and women one-on-one. Our evenings have mostly been devoted to men's and women's time, as well as several faith-sharing outreaches. This is a really fun group that is passionate about knowing the Lord more and worshipping Him with their lives!

## Prayer Praise:

- God provided a wonderful home for us in Missouri. We're in a great location for ministry, just 5 minutes from campus. Thank You God!

## Prayer Requests:

- to get a fresh vision, spiritual development, and fun at the Cru US Staff conference in Fort Collins, CO from July 13-20th
- for us moving and transitioning from OH to MO in the week of July 22nd

One of the ways we try to develop authentic community on the X Project is through sharing our 3 H's. We take time to tell about our Highlight, Heartache, & Hero with the hope of encouraging, caring for, and being an instrument of God's grace & healing to each other as we are together this summer. The more we hear the students' stories, the more we see what a hurting generation we are serving. They have such a deep desire to be known and understood and it is a humbling privilege to be part of their journey. We get to witness the Lord at work! He is redeeming, healing, and transforming their lives as He replaces lies with His Truth. One of the most common battles we have seen this summer is these young men and women wrestling with fear connected to them not understanding God's grace. We have been really thankful for how God is providing us wisdom for how to help them better understand WHO HE IS & HOW HE SEES THEM!

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen."
