We are so grateful for how you equip us to serve Jesus and share His truth with the world through sports ministry! We would love for you to join us for a dessert & hear more about what God has done and also what we are trusting Him to do this year at Mizzou! We would also enjoy sharing about Kyle's Project in East Asia. We are so blessed by how you empower us and invest in our team! We look forward to time together as we say **THANK YOU** to you for helping this ministry be possible. If you know of anyone else that you think would be interested in hearing about what God is doing through our ministry, we would love for you to invite them as well!

**See you soon! - Kyle, Jayne, AJ, Leisel  
& George**
