

Serving on X Project...

Each summer we are blessed to serve college students by helping them grow spiritually and equipping them to multiply their lives for God's glory. This summer we were part of X Project for 6 weeks, where 20 students from around the US wanted to work at applying their field of study, but also grow in their faith. They came to our AIA World Headquarters in XENIA, OH (thus the X) for a summer filled with development in a variety of ways. In "normal internships", you go to work 8-5, do your job and go home. On X Project these young men and women get work experience as well as be discipled, have Bible study, and live in authentic & deep community with other students. On the weekends we have "outreach opportunities" where these students use what they are learning to have a spiritual impact in the surrounding community. It was a really special time with this INCREDIBLE group of men & women.

Prayer Points:

~For wisdom & discernment in our campus placement.

~For God to provide the financial support we need to be able to report to our assignment. (We are currently at 75% of our support goal)

~For BabyWenig #2's arrival and for us as a family as we learn how to love and serve each other as a family of FOUR!

~That we would believe God's Truth in Zephaniah 3:17

"The Lord your God is with you, he is mighty to save. He will take great delight in you, he will quiet you with his love, he will rejoice over you with singing."

Being Lead Back to Campus Ministry!!!

We are excited to share with you how the Lord has been leading us! We have prayed over how He has equipped us with different experiences, gifts, & passions. We are REALLY joyful that we have sensed Him bringing us back to serving with AIA's Stateside Campus ministry! We will continue to minister as chaplains to university coaches & athletes. Now that we know the area of ministry within AIA that we will be working in, we are in the process of discerning WHERE. AIA leadership has looked at their priorities and where they desire to have staff around the country, as well as our strengths and needs that we bring to the table. They have shared a few universities that we are praying about as possible placements for our future ministry. We are connecting and having conversations with the staff that are already at those schools, who we would possibly join as a team.

We are hoping to discern which university we will be ministering at in the next month. With having BabyWenig # 2 in September, as well as needing to raise a significant amount of financial support to accommodate increased costs of living and ministry expenses, it is our hope to report to this new assignment in early 2013!!
