

A WORD FROM THE WENIGS

University of North Carolina & Duke University

Welcoming Team Wenig's newest player...

Anderson John "AJ" Wenig: Hi everyone! I wanted to introduce myself... I'm AJ. I joined Team Wenig on August 26th, 2009 at 3:24 am. I weighed 9 lbs 2 oz and measured just over 22 inches long. Some of my favorite pasttimes are eating, sleeping, and looking cute (I make LOTS of funny faces). Mommy and Daddy say I'm very gifted in all three of these areas. It's been a great first few weeks on the team and Mom and Dad are doing well as they learn the ropes with me. I am trying not to make it too hard on them by eating well and being pretty content. I really like laying on Dad's chest and snuggling with Mom. We especially like going for walks as a family. The only thing that's hard is that they just can't seem to keep up with my "night owl" preferences. I like being up in the middle of the night, so they are working through that with me. Mommy says its good prayer time, so send your requests her way since we do that together at least twice every night. I just wanted to say thank you to so many of you for your encouragement, love, and prayers! You have blessed Mommy, Daddy & I very much! We are so grateful.

PRAYER REQUESTS:

~ For wisdom and direction as we embrace new roles (both as parents AND in leading our Weekly AIA Meeting and Student Athlete Leadership Team).

~ For God to provide financially for our ministry.

~ For the women's ministry as Jayne learns to be creative with scheduling and priorities.

~ For our need for community here in Chapel Hill. We love our church, and are hoping to make some new friends in the area to connect with outside of ministry.

Meet Doug...He is a guy that has been really hungry to pursue the Lord. He and Kyle began meeting this summer for one-on-one discipleship and will continue throughout the year. Please keep Doug in your prayers!

FALL SEMESTER KICKS OFF!

We are anticipating God doing "immeasurably more than we could ask or imagine" this year (Ephesians 3:20). Have you ever felt God leading you to something, but not been clear on what the details would look like? We are walking by faith in several new areas this semester. Kyle is giving special attention to the men's lacrosse team. He and Coach had an encouraging planning meeting, as their relationship continues to grow stronger and they have some great ideas. Now we are trusting God to lead them in the details and praying for the guys to respond! We also have a large group gathering each Thursday night- in the past this has been an event that is a great community builder. Currently we don't have as many people participating, but we are seeking the Lord for what this time should look like and if there is anything we need to do differently. We know that it's not just about numbers, but are trying to be faithful in our preparation and evaluation of the opportunities we have with athletes. Jayne is now pouring into four of our leadership ladies. She is seeking the Lord for what material to cover with them and believing God to use them as multipliers, since she is more limited in the number of girls she can meet with. Thank you for praying for these details!
