

Baby Wenig #3 on the way!

"Guess what...My mommy is having a baaaaaaaby!" is currently the most common phrase you will hear if you start a conversation with AJ or Leisel (or if you just happen to be within 100 feet of them)! We are all very excited about Baby Wenig #3 joining the team. AJ has been extra excited about the surprise of waiting to find out if its a boy or girl until the baby arrives in October. We would love for you to pray with and for our family as we trust God to lead us in "going from man-to-man defense to zone coverage." Please also pray for the ways God will financially provide for this blessing.

Meet Maggie:

Maggie is a 5th-year Senior at Mizzou where she is a pre-med major and pole vaulter on the Track & Field team. She has a contagious smile and an incredibly comforting presence. Last year, God started to take Maggie deeper in trusting Him through adversity when we were studying the story of Joseph (from Genesis) and how God uses our pain & struggle for our own good and His glory. It connected with Maggie where she was at in that moment, but little did we know how He would continue to take her deeper in this trust He was growing.

Maggie's last year has been FULL of the "Refiner's Fire" kind of moments like God leading her to a different med school than she had planned and her pole vaulting season having different results than she hoped for. Yet through it all, she has persevered, drawn closer to God, and fallen more in love with Him. You can see the radiant glow of His light shining through her in ways we cannot put into words!

It's having a HUGE impact, particularly on her roommate and teammate Katrine (pictured below- who we have asked you to pray for before). Recently they have been having the most amazing conversations about faith and why Maggie trusts God even when life looks different than she wants it to. Katrine (who began college very anti God) is coming closer and closer to trusting Him. She is even reading the Bible daily! It's been such a privilege to watch God at work in & through Maggie by witnessing a divine appointment for this girl from Branson, MO and a girl from Norway to connect on this level

"for such a time as this" (Esther 4:14).

Life's greatest victory is found in a relationship with Jesus Christ!

Thanks again for your partnership. You are a blessing to us and so many others!

Prayer Praises:

- Some highlights that we took away from the feedback for our semester-end debrief meetings... the students are LOVING the deeper friendships that are forming in AIA / FCA!

(Easter lunch pictured above)

- Celebrating Seniors: It's been exciting to watch this group of seniors seek and trust God for the next chapter in their stories.

Prayer Requests:

- We're trusting God to provide. With adding Baby Wenig #3, our health insurance increases significantly. With that upcoming cost, as well as our current goal to be at 100% funding level, we need to raise an additional \$1000 of support per month. We would like to have this accomplished by the start of Fall Semester.

- Please pray for the 28 Mizzou athletes attending summer ministry opportunities at the Urban Project - Los Angeles and the Ultimate Training Camps (including Nick, pictured right)

- In June & July we will be traveling to PA, OH, CO, WI for time with family and ministry opportunities. Please pray for us to depend on God and stick together as a family in the midst of ministry and transition.
