

# A WORD FROM

Team Wenig

MARCH 2013

## **GOD IS PROVIDING!**

*THANK YOU SO MUCH FOR PRAYING! God has been faithfully and abundantly providing for our needs in the past few weeks! Since our last prayer letter, He has brought in significant support progress and we only have \$1,300 left to raise in monthly or annual support! As AJ likes to say, "YAY GOD!!!" We continue to trust Him for His timing, but are also hopeful that we would be done by the end of May.*

Taking a break at one of our favorite road trip stops: Cabela's

**"On the Road Again..."** This old Willy Nelson song was a theme song for Jayne growing up on trips with her grandparents. It has now become a theme song for our family too as we have been on the road ALOT the past few months. As we have traveled for support raising, God has blessed us with some great conversations and quality time as a family. He has also established us with a deeper foundation in His truth, which has helped us weather the challenge of life in transition. The passage that has brought the sweetest encouragement lately has been 1 John 4...We find so much hope in His perfect love. Where His love reigns there is no room for fear & worry! We cling to His love and grace!

## **Please Pray:**

- that we will continue to walk by faith
- for completion of our financial support goal to get back to campus
- to keep choosing joy (James 1:2-3)
- praise for God's continued provision
- praise for keeping connected as a family amidst transitions

## **The Ripple Effect**

We recently had the privilege to meet Rocky and Sherry Grams. This was a very special evening because, even though it was our first time meeting them, they have had an incredible spiritual impact on our family. *In 1976, Rocky helped lead a college sophomore to the Lord... that student was John Wenig.* Kyle's Dad then went on to get married and has passed that spiritual legacy onto each of the Wenig kids... all of whom are passionately walking with Jesus today!

This was a humbling and encouraging reminder for us, as we also get to serve and invest into college students. How sweet is that! Its so good to remember this spiritual ripple effect as we equip athletes and coaches for not just today, but also for how they will go on to impact the world for Christ in years to come!
