

Christ followers on every team, in every sport, in every nation, so that **EVERYONE knows someone who truly knows JESUS...**

This is the heartbeat and battle cry of Athletes in Action. We have been so encouraged to witness God working on the UW Football team through students like Hunter, Will, Darryl & Rico as they are grow closer to the Lord! They are shining and using their platforms for God's glory and to grow His kingdom. They recently had the opportunity to be the Kick Off speakers for Badger Cru ministry's first campus gathering of the semester, sharing with more than 300 students about how their relationship with Jesus is impacting their lives! These guys are seeking to influence the campus and the community to experience the Lord's love in really special ways. Please keep them in your prayers.

Another way God is moving on campus is through Badger Life, our multi-sport gathering on Tuesday Nights at 7:00. Please be praying for us this semester as we talk about loving God and loving people, especially through diving into a study on the Fruit of the Spirit (Galatians 5). We'll discuss living with Christlike character that changes how we worship God and love each other. Please pray for new students coming to explore and for those who are seeking to grow deeper roots and bear fruit in their own lives that honors the Lord. It has been so encouraging already this semester to see God at work as students are asking for Bibles and wanting to have follow-up conversations about what we are learning together!

Please Pray With Us:

- *Badger Life on Tuesday nights to be a place where love for God and community grows*
- *Thanking God for providing a great room on campus to host Badger Life*
- *Celebrating the ways God is raising up men and women who shine for His glory in a way that causes curiosity among their teammates, friends and families*

What's Up With The Wenig's...

Kyle & Jayne: God continues to heal Kyle's heart and docs are happy with his progress. We are so grateful, as that has allowed us to make more memories together. We especially enjoy going on walk-and-talks together & going out for coffee dates! This year, we're excited to have kids in preschool, elementary, middle, high school and also working with college students...so we have the whole student range covered! :)

AJ: Recently turned 15 years old and is a freshman in high school. His summer highlight was serving at Camp Daniel, a camp to care for & encourage people with special needs. He is also very excited to serve on a mission trip to Puebla, Mexico this fall. Growing in heart and stature, AJ is towering over all of us now standing at 6'6".

Leisel: Celebrated her 12th birthday last month and is in 6th grade. She loves playing & watching sports (especially volleyball), being with friends & finding fun ways to personalize her room. Its so special to watch her shine and discover new areas of interest.

George: Is about to turn 9 and working hard in 3rd grade. He has the biggest heart and loves to make people feel cared-for and encouraged. He is taking on a new adventure in playing football this fall and is excited for wrestling to start again soon. This dude has LOTS of fun energy and enjoys playing hard in all that he does.

Simon: Just turned 4 and began preschool! He is so excited to be going to school and feels like big stuff each time he gets his backpack on, like the bigger kids. He has lots of questions, but also likes when he gets asked questions.
