

A Word from the Wenigs...

Ultimate Training Camps... We have quite a schedule ahead of us— we will have the opportunity to help lead 4 UTC's over the next 4 months and another in August. Kyle will lead in Principle 1 (Audience of One) & 2 (Inside Game) and Jayne will share Principle 4 (Hurtin' 4 Certain) at each camp. Kyle will also be helping train Foxy as he prepares for sharing Principle 5 (Victory Beyond Competition). We are also helping to lead discussion groups and helping plan the rigorous S.P.E.C.I.A.L. A large part of what we have been doing the past few months has been preparation for these events. This has been a BIG task, as these camps are very new to Australia and require a lot of ground work in order to make them happen. Please pray for us as we continue to take care of details and plan our talks. Pray for the people who will attend, as some may not know Jesus as their Savior yet. Jayne & Jess recently took a planning trip to Perth to meet with the church we are partnering with there on some details. Here are some pictures...

Thank you so much for your prayers and continued generosity! God provided us with a car on Christmas Eve! It was a totally overwhelming “deal” that could only come from Him. It cost half of what we expected (\$4,000) thanks to the kindness of a family we met through church! What a gracious gift!

What brings you to Australia??? This is a question that we answer daily, if not multiple times a day. Each time we meet someone new, whether it's as we go about normal life: riding the train, buying groceries, going to play at the park, or as we initiate more long term relationships, we have an open door to share about Jesus. Because God is using how we speak very differently than the people around us, we have a platform that we never could have expected. Yet, there is no formula or “standard response”. Each situation is unique and we want to be sensitive to that, allowing the Holy Spirit to lead us moment by moment in these “divine appointments.” Please pray for us to have wisdom & understanding for how to reach both the minds and hearts of these people!

Culture Corner:

“Americans live to work, Aussies work to live.” This is a recent description that was shared with us and it certainly embodies the Aussie mentality and way of life. It's a VERY different culture as far as sense of urgency, and we see how that permeates everything. It impacts their sense of need for Christ especially. Aussies have a general sense of tolerance for hearing the opinions and beliefs of others. Unfortunately this “tolerant apathy” distracts them from seeing their need for the Gospel as Truth in their own lives. They have the perspective “well, that's good for you, but I'm fine where / how I am.” We know that only Christ can change hearts, but please pray for us as His servants. We need wisdom and boldness in how to share in ways that are culturally relevant, but stand firm in the Truth.

To Send Ministry Gifts that will be directed to Campus Crusade, it would be easiest to mail them to Kyle's Parent's home. Kyle's Mom is helping coordinate the details of this for us!
