

## God moving at Ultimate Training Camp

This past week, 6 of 16 Badgers began their experience with Ultimate Training Camp. The first group was in Colorado and the next one will be in the Twin Cities, MN this coming week. Kyle had the opportunity to drive 4 of the UW Football guys out to Colorado and take them into Rocky Mountain National Park before camp started! It was

incredible shoulder to shoulder time with plenty of great conversations leading into the camp experience. We are always in awe of the ways God works through UTC to draw people deeper in their dependence on Him and give them fresh ways to see themselves and their sport! It was really special hearing some of the highlights for the guys as they processed and also seeing things they posted on social media as they use their platform to share the Good News!

Here are a few quotes: (shared with permission)

*“Thank you God and @ultimatetraining camp for this life changing experience I was able to share with my brothers! I’m so thankful for the opportunity to be able to come among other Christian athletes to give glory the only One who matters! Thankful for everyone I met and I pray God helps us to all be vessels and speaks through us that we may continue spreading His good word! 2Timothy 2:2”*

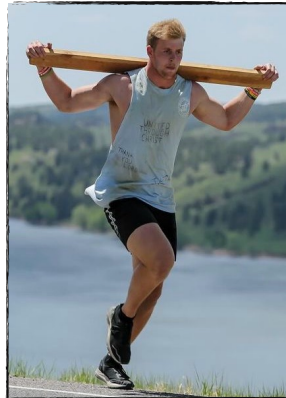

*“Thank you God for sending me on this faith journey. The Spirit truly works in mysterious ways. It was a week full of powerful moments with amazing people that I will forever cherish. God is good- All the time Mark 12:30”*

*“Just want to say thank you God for an amazing and life changing experience. This past week was amazing and I am eternally grateful! UTC will forever hold a special place in my heart. Isaiah 40:31”*

*“Seeing life through a different lens, but one thing always stays the same. God’s love never ends. Thank you @ultimatetrainingcamp.”*

*“I have known a lot about God in my head and could answer all the different questions to talk the talk, but this week it moved to my heart in a new way!”*

Praise God with us for what He has done and please pray for these guys as they live out what they have been learning!

## Praise God for:

- Great heart healing progress for Kyle! He recently had an encouraging report from his cardiology team that he is making a strong recovery.
- Students taking huge steps of faith at Ultimate Training Camp, Colorado.

## Please pray with us for:

- For athletes who will experience UTC Minnesota next week, especially 10 Badger athletes.
- For our family as Jayne is getting ready to go on mission with AIA to Central Asia from June 10—24! She will be serving our staff there and trusting God for opportunities to shine His light and love to people who have mostly never met a Christ follower. Over 97% of the people of in this nation are Muslim. Please pray for Jayne and the group going as well as for Kyle & the kids on the home front.
