

A WORD FROM THE WENIGS

Fall 2008 University of North Carolina & Duke University

The Wenigs @ The Old Well (a UNC campus landmark) before a football game.

THANK YOU!!!! We want you to know how much we value each of you and the ways that you are an instrument of blessing in our lives! We appreciate your thoughtfulness and sacrificial giving, which make it possible for us to serve the Lord here in North Carolina. We see the economy and hardships that we are all in the middle of, and wanted to say thank you again for how you trust the Lord and give to support the development of His Kingdom here on earth. You are in our prayers **OFTEN**, but if there are any specific prayer requests that you would like us to be lifting up, we would love it if you would let us know. Please email us or call **ANY** time.

Kyle & Jayne

Kyle & Morgan Randall (UNC offensive lineman) at an outreach to foreign students who are at UNC studying abroad. Morgan shared what it is like to be an athlete and how his faith impacts his sport. This was one of Morgan's first big steps sharing his faith and Kyle got to be there to encourage him in the opportunity. Morgan is one of our "SALT" guys (Servant Athlete Leadership Team).

Our first semester as a team has been **AWESOME!** This Fall has absolutely flown by with everything that has been going on. Kyle has been learning his way around both UNC & Duke. He is diving in, seeing where God is opening doors in the men's side of ministry. He has been welcomed with open doors by the football, baseball & lacrosse coaches. He is helping our Campus Director, Mike, lead several coach's Bible Studies and getting to spend some intentional time with several of the athletes. Kyle has seen some great ministry opportunities develop through what he calls "MOP time" (Ministry Of Presence). By being around football & baseball practices and the players' lounges, a trust and openness is developing with several athletes. He is also involved in leading a Bible Study for the men's lacrosse team. Their coaches even attend each week. There are three freshmen who have been coming consistently and show a lot of hunger to know more about Christ and how to walk with Him. Charlie, one of these freshmen, told Kyle he didn't have a Bible. At the next meeting Kyle brought a study bible for him to have. Charlie's face lit up and he began exploring it immediately. Both of us are excited and encouraged by witnessing God at work in this young guy's life! Praise God for Charlie's spiritual growth! Please pray for more of the men athletes to desire to walk with God!

On the women's side of ministry, I have been SO blessed to meet with some amazing young ladies this semester! It is so refreshing to see the hunger they have for God's Word and their desire not to keep what they are learning to themselves! They are truly **MULTIPLYING** themselves by being intentional with teammates, friends, and family. Last year I felt a lot of the weight of coordinating socials and trying to build community among the women. This year they have taken the ball and sprinted with it. They are hosting movie nights, camp outs, initiating praise and worship times before the large weekly meeting. Meredith, a sophomore on the women's lacrosse team, has been fearful about leading a Bible Study on her team. After much prayer and encouragement from some of the girls and myself, she has begun walking by faith and co-leading it with a teammate. They have had 3-5 girls coming to study His Word. **PRAISE GOD!**

Cait, Jayne, Kim, Meredith, Lauren & Lindsey hanging out at our apartment. We made pizza & caramel/chocolate cake. Lots of laughter and fun times with a few of our "SALT" girls.
