

Fall Kickoff

Fall semester is off to a really special start!

We are witnessing an incredible hunger and curiosity among athletes & coaches!

In many situations, we see it rooted in people *tasting and seeing that the Lord is good (Ps34:8)* and wanting more of Him. In other places, curiosity is stirred by storms and adversity and they are desiring an anchor of hope. No matter the cause, its an amazing privilege to journey with these men and women as they seek the Lord and experience His promise in James 4:8 *"Draw near to God, and He will draw near to you."*

To begin the semester, we took a survey of the students and asked them what they want to dive into more. We're excited to explore these topics from the stories of biblical characters who have also wrestled with them in their own lives. So far, we've already explored the topics of finding God's purpose for our life like King David & forgiveness when we've been hurt by others like Stephen in the book of Acts. Other areas they have asked our team to explore are: prayer, temptation, how to know God more, how to read the Bible, friendships/relationships/ sexuality, Heaven & Hell, how to help friends & family to know Jesus, and evil/ suffering/ injustice. We really need your prayers for wisdom as they have great questions!

A highlight for Kyle so far this year has been a weekly coach's Bible study he gets to lead. He loves journeying with them and seeing how this development time impacts their roles leading as coaches and also their opportunities to lead in their homes/ families.

For Jayne, its been really special to care for several women as they trust God in the face of things that could cause doubt, but they are choosing faith instead of fear.

Please Pray With Us:

- For compassion and discernment in leading athletes & coaches amidst adversity

-For us as parents: having a high schooler, middle schooler, elementary schooler, & preschooler is amazing and also HUMBLING!

-For Kyle's heart health. He is stable, but some Afib issues resurfaced. His docs are leading us in the process.

What's Up With The Wenig's...

Kyle & Jayne: This year we praise God for 17 years of being team in marriage, starting our 9th school year serving in Madison, and 20 years serving with Athletes in Action! We have so much to be grateful for as we look back and remember His faithfulness. Remembering well grows our faith for what He has ahead!

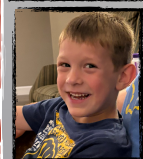

AJ: 16 year old Sophomore, who loves animals & serving! He continues to find ways to integrate both passions into life as he volunteers at Camp Daniel, Blackhawk Church, and Henry Vilas Zoo. He attends Impact Christian Academy where his favorite classes are Public Speaking and History.

Leisel: 13 year old Seventh Grader, who loves volleyball, basketball & being with friends. She is working hard in school and loves to organize and decorate different spaces. Middle school has plenty of challenges, but she is persevering and growing in her dependence on the Lord not her own strength.

George: Almost 10 years old and in 4th grade, George loves being active in mind and body. He has really creative ideas and awesome determination. We get to see this shine through as he works hard at school, wrestling, football & playing outside in the yard.

Simon: 5 years old and loving half-day 4K, this boy fell in love with Milwaukee Brewers baseball this summer. He cannot get enough of watching the Brew Crew or pretending to be his favorite players as he plays ball in the backyard. He is kind and encouraging and loves to ask "How can I help?"
