

**“There’s partnership in the  
being of God”**

**-Andy Crouch**

Dear Friends,

7/25/15

Earlier this month we made the trip out to Colorado for Cru's bi-annual national Staff Conference. It was an awesome 10 days with 4,000 other Cru staff. The four topics of engagement were:

- Continued commitment to share the Good News
- Our movement toward ethnic diversity
- Building partnerships among Cru and other orgs
- Taking the gospel beyond our borders

We gained incredible wisdom about a multitude of things. But there are two that resonate with us the most. First, we must keep Jesus as our first love and priority!

Second, God is very passionate about ethnic diversity among the body of Christ. We want to reflect God's love by seeking the good of all people, despite ethnicity. We're all made in God's image and get our worth from Him.

We welcome your prayer for us in these areas in the coming year. Thanks for partnering with us!

Gratefully,  
Matt & Jenny
