

Life change at UTC

We had an incredible time at Ultimate Training Camp in Colorado! Our group of student-athletes from Indy was 17 campers and 9 interns, and the whole camp was over 300 students and staff. Our kids enjoyed interacting with the students and watching them grow in their faith. We love being a family on mission together. :)

Below are testimonies from a few Butler athletes. Pray for continued obedience to the Lord and ongoing passion to share their faith with friends back on campus. Thank you for partnership with us!

"UTC was a life changing experience. Everything was so intentional and helped me connect with God. The environment was welcoming and challenging. With the help of the other campers, I felt like I could do anything. I've never been in an environment where I felt truly loved, accepted, and confident about my faith. UTC is a glimpse of heaven!"

"I found every reason not to go the last two years. But this year I felt God tugging on my heart. UTC pushed me to exhaustion mentally, physically, and spiritually and forced me to rely solely on God. It revealed how much stronger I am with Jesus."

"My relationship with God is at an all-time high and UTC is a huge reason for that. The Biblical principles I learned at camp will help me live faithfully to God and make a deeper impact on others. I'm so glad I went and it's an experience I will never forget!"

- Evan Niemi from Butler Football

"UTC was extremely testing but insanely rewarding. I made lifelong friendships with athletes from across the country that are rooted in our love for God. The speakers, small groups, and worship were incredible. This camp pushed me to lean fully into God and apply my faith to my sport. I want to go back next year as an intern and bring all my teammates with me!"
