*“Jenny made an immense impact on my faith journey in college. She consistently makes time for me to meet during a busy week, is a voice of reason in stressful moments, and always listens without judgment. Through the discipleship group, Jenny created a space where I felt known, challenged, and encouraged to follow Jesus. Her steady presence and authentic walk with Jesus have deeply shaped my own. I feel confident heading into the next chapter of life because of the firm foundation in Christ that Jenny helped me grow.” - Grace Hensley*

*“When I transferred into Butler, I felt lost and didn’t know where to connect spiritually. Then Jenny invited me to the AIA discipleship group and it changed my life. She met with me to talk about life and give Biblical advice when I was struggling. Though my time at Butler was short, I could not be more thankful that God put Jenny in my life. She took me in and helped me reconnect to my faith and make it my own. Jenny is a wonderful role model of how to follow Jesus.” - Gabby Mahaffey*

# New Staff

We’re excited to share that Caleb and Delaney have been accepted as part time staff with Athletes in Action! They are placed on our Indy campus team and will serve primarily at Marian University. Delaney graduated from Marian a year ago where she played soccer. They met in March 2024 while on an AIA spring break trip to Cuba that Matt helped lead. Caleb recently moved to Indianapolis and they are getting married this June. Our kids will be in their wedding as flower girl and ring bearer! They recently went through Cru orientation, will raise support this summer, and report to campus in August. **Please pray for God’s grace and guidance as they fundraise and get married this summer.** Thank you :)
