

**Hola de El Salvador!**

Our team is halfway through our time here in the city of San Salvador. We are meeting students on campus, sharing the gospel, and discipling believers. Our vision is to see the entire country, and all of Latin America, changed by reaching the future leaders on the college campuses in the city.

Pray that we would see and trust God's hand to change hearts through the gospel.

Ask God to give us energy in order to finish our time well (leave August 20th).

Pray that the students we are discipling would be motivated to continue the work when we leave in a few weeks.

I cherish and thank God for your partnership in prayer. May you be encouraged!

Blessings to you,  
Matt Williams
