

Santa Monica Summer Project

Matt Williams with Campus Crusade for Christ

Greetings from Los Angeles,
where we (the staff) are
finishing our last week of
summer project. Please pray
for us and the students:

- students will continue
running the project for 4
weeks when we leave, pray
for wisdom and unity
- pray that the students'
hearts are captured by Jesus
in new and unique ways
- rest and rejuvenation for
the staff when we leave
