
WILLIAMS FAMILY UPDATE

Meet Jenny

I grew up in the suburbs of Chicago with a loving family who helped me grow in my faith from a young age. When I left for college at Miami University in Oxford, Ohio, I wasn't sure what to expect. I assumed most of my peers would be seeking the party life, but I thankfully found something different. Many of my friends in college were made through Cru (Campus Crusade at the time). Bible studies, discipleship, and mission trips helped me grow immensely during my four years at Miami.

After graduating with a High School Education degree, I was still undecided about my future. Cru had such an impact on my walk with Jesus that I stayed at Miami (OH) in order to pass that blessing along to incoming students. I stayed there for ten years and loved it every year!

As our staff team grew, my heart for the needs on other campuses grew. A year ago I joined the Indianapolis Metro team, which consists of two campuses - Butler and IUPUI (an Indiana University located downtown). Some of my roles on the team are meeting with sorority and athlete women at Butler, leading the outreach team at IUPUI, and managing finances for the whole team. I LOVE the different aspects of my job! It's a privilege that I spend my days discipling women and reaching future leaders!

I love running long distances and training for half-marathons, cooking and hosting friends in our home, and visiting my family in Chicago.

Giving every student the opportunity to hear the good news of Jesus Christ.

Meet Matt

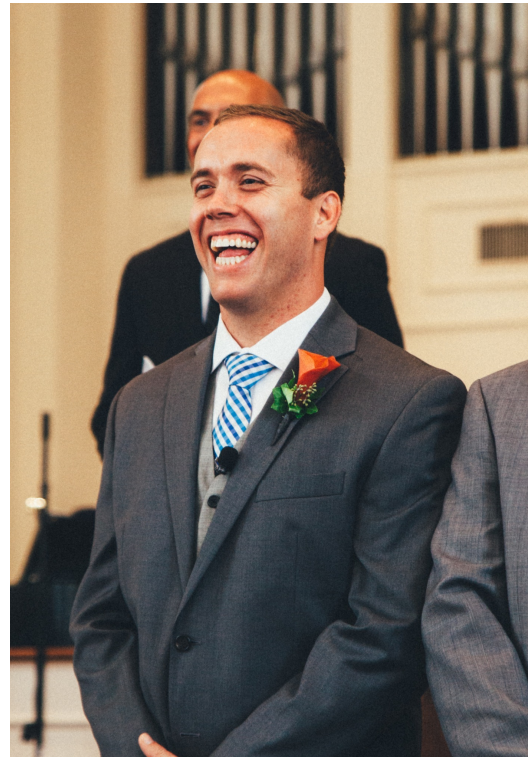

I was born and raised in South Carolina. When I decided to attend Clemson for college, my family - whom are all grads of U. of S. Carolina - gave me a hard time! But I'm very glad I did because my college years are when God grabbed my heart. He revealed lies I was believing and replaced them with truth and joy in Christ.

After graduation, I spent a year overseas in Slovakia - located in Eastern Europe - interning with Cru. That year showed me many things. One, that college students really do have an impact on the future of their country. Two, that the need for laborers is great in many places. Seven years later, I still love that I get to work with the Lord to reach college students, build them in their faith, and send them to impact the world with the gospel.

I get excited about traveling to new places and experiencing new cultures. My heart desires to see people from all different cultures, backgrounds, and world-views come to know and understand the good news of Jesus.

My roles on the Indy Metro team will include working with Athletes in Action at Butler, discipling student leaders at IUPUI, and reaching out to international students at IUPUI.

With my spare time, I enjoy exercising, being outdoors, working with my hands, and good conversations. I also enjoy Jenny's good cooking! :)

Our ministry future

Jenny and I both still feel called and committed to reaching college students with Cru. We enjoy the ebb and flow of campus ministry, including the busy first six weeks of the fall semester! As we merge our lives, including personal and ministry expenses, we ask that you graciously continue your financial support. Our ministry still relies upon your generosity. If

you have been giving to Jenny's account, your gifts will be automatically forwarded to our joint staff account (Matt's account - #0593312), so don't fret! If you have any questions about your monthly or special giving, please don't hesitate to ask!

Thank you for partnering with us so we can impact students on the campuses of Indianapolis with the gospel! We pray that God will send many Christ-centered men and women from here. Please know that we cherish your continued support and prayers for us.

Giving every student the opportunity to hear the good news of Jesus Christ.
