

Why we love our ministry!

As I (Jenny) was getting ready for bed a few weeks ago, I got a text message from Paige, one of the Butler soccer girls that I disciple every week. With about five exclamation points in each text, Paige shared how one of her teammates had just put her faith in Christ! And the kicker? The conversation happened while in a dark bus on the way back from an away game. If we were in person, she would have been practically screaming with joy!

That conversation wasn't just an isolated event. Paige and I often discuss, dream, and pray about how God can use her in the lives of her soccer teammates. Over time, as Paige builds trust with her friends, God is opening the hearts of other girls on the team. (Paige is #23 in the middle.)

It's real life stories like this that keep us motivated to invest our lives into reaching and equipping college students! As we move into the summer months, would you pray for our students to continue growing in, and sharing, their faith — wherever they go?

We are grateful for you!

Last week we attended a two-day workshop in Nashville, TN to help us refine and sharpen our skills in support raising. We are reminded what a privilege it is to partner with you in this strategic ministry of reaching influential college students. This simple diagram called “The God Ask” reminds us that as you give to the Lord and invest in His Kingdom, He provides for our personal and ministry needs. **THANK YOU** for your investment in us and **furthering the Kingdom!** (Below are the 80 “Great Commission workers” from various mission organizations that attended the workshop.)

Pray for us over the summer

- during our Sabbatical in June that we learn how to rest well and root out a “performance” mentality
- Israel trip: May 30 to June 12; deep understanding of the Bible, endurance for travel, soul rest
- better understanding of our talents and strengths
- refreshment at marriage conference in late June
- continued vision for our ministry during national Cru staff conference in Colorado - July 14 to 21

Giving every student the opportunity to hear the good news of Jesus Christ.
