

# Fall Getaway

Our annual Fall Getaway is an environment where busy college athletes can get away from the grind to connect deeply with God and like-minded people. Our topic was Abiding in Christ from John 15 and Kyle Riley was the guest speaker. He did a great job connecting with our students and making the word of God relatable. We had a strong group of 70 students and 12 leaders, and there was plenty of connection across sports and campuses. Below are a few testimonies from students. **Please pray the gospel seeds sown at the retreat would continue to grow and be watered by the Holy Spirit.**

# Mason Multiplying

Last year Mason had a desire to spiritually impact his Butler Track teammates but wasn’t sure where to start. After going to Ultimate Training Camp with us last summer, he was equipped and motivated to make it happen. Mason started a team Bible study this semester and it has grown to 13 guys! We’re praising God for this growth and want to see it happen on more teams. Our God-size vision is to see a Christ follower on every college team across the city of Indianapolis. **Pray that God turns that vision into a reality so the gospel will impact every corner of campus!**
