Life Change at Ultimate Training Camp! (part 1)

Stephanie, Butler Soccer

"What a moving week. UTC physically broke me down but built my faith up in ways I didn't know was possible. From not wanting to go for a whole semester, to not wanting to leave the second I got there, I am forever grateful for this experience. The bonds I formed with everyone will never be broken and the lessons I learned will forever be close to my heart. God is good and I am grateful for the life I've been given, and opportunities He continues to bless me with. Thank you, UTC!"

Nina, Butler Tennis

"Physically, I'm the most broken I've ever felt. Spiritually, I have never felt more alive and free. I had an unreal, out-of-body experience at UTC this week. I cannot thank God enough for all the wonderful people who helped change the way I view myself and my relationship to God. Thank you to everyone who helped support me to attend this life changing camp. His love is unconditional. In God, I am completely and utterly satisfied!"

Daniel, UIndy Soccer

"UTC changed the way I play my sport, and how I see life. It opened my eyes to how much God has blessed me. He's given me opportunities, skills, and a healthy body to worship Him through sport. It's not about me and my success, but about glorifying Christ through my trust and effort. Everyone that made this experience possible, I love you all! You guys are family and have a special place in my heart. God is good!"

Joe, UIndy Track

“Being around other athletes seeking to grow in their faith was powerful. Everyone was looking out for each other, and helping each other grow in their faith. It showed me that I need to make community with other believers a priority. UTC taught me how to put God first in my sport, but also how to put Him first in everything. I want to be about the two things that last forever — God and His people. UTC was the best experience of my life!”

Katie, Butler Soccer

“It’s hard to describe the most physically taxing, emotionally draining, spiritually challenging, yet best week of my life. It was full of conquering fears, gaining confidence in the Lord, fully surrendering to Him, and growing my faith through sport. I’m thankful for this amazing community of athletes who challenged me and walked alongside me this week. No other words to say except God is so, so good and His plan is perfect!”

Dyrek, Indy AIA Staff

“God humbled me, showing me my need to rely on Him fully. As an independent person, I feel like I need to take on the world by myself. I thought nobody had time to be concerned with my problems. Jesus flipped that on its head and showed me that I have brothers and sisters who are struggling just like me. I’m overwhelmed with all the love I’ve been shown, and the hard work I saw in my friends as they glorified God with their bodies. Truly a time to remember!”

It was a privilege to witness these men and women learn how to compete with freedom and joy. These souls are no longer chained by the idol of sport. They’re now freed up to worship God through their sport! *Pray that what they learned this week would continue to grow by the Spirit’s work.*

THANK YOU for your partnership in this vital ministry. We pray you are encouraged to hear how God is at work. **We truly couldn’t do this work without your prayers and giving!**
