"Ultimate Training Camp"

One of the greatest joys in ministry is when we get to witness the truths of the Christian faith become more meaningful and real to our disciples. Just a few weeks ago we heard from one of Matt's disciples how much the gospel impacted him in one short week. Mikey, a Butler football player who is a student AIA leader, spent a week interning at a sports camp in Colorado called Ultimate Training Camp - aka UTC. Here's what Mikey shared with Matt about the experience:

"The gospel has never been so clearly presented to me, which set me free from so many lies I was believing. I didn't realize how much worth I was putting into my performance and trying to win God's favor. I asked the Lord to use me in ways I've never experienced. I had the opportunity to lead someone to Christ. He was crying on the floor asking for Jesus to come into his life. It was insane!"

"The relationships with the other interns were some of the quickest and deepest friendships I've had in my life. My small group was filled with amazing guys, and two of them gave their lives to Christ at the end. During "the special" (an 18-hour long workout), I experienced the true meaning of surrender — letting God take over my words, actions, prayers. Sean (another Butler football player) and I were in tears when he finished the special. It was the most life changing experience!"

We are SO grateful for your partnership in ministry with us! What a joy to invest in the lives of college students so they will experience the gospel in ways that set them free from burdens and lies.
