January 20, 2013

Students enjoying Christ-centered community at TCX!

around the Midwest. At TCX students learned together from influential speakers and seminars what it means to surrender their lives and futures to God and respond to the spiritual needs of the world. We'll let the students speak for themselves how God is impacting the globe through college students. **Thank you** for your prayers and support for Badger Cru!

"I was dealing with a lot of stuff in 2012 and didn't know if my faith was my own. I didn't know if it was my parent's faith or if faith was

for me. I wanted to be in control, but we have to give our lives over to Christ and we can't be in control. In

processing that **I now know that my faith is my own.**" "Five months ago I hit rock bottom and then four months ago I gave my life to Christ. God has really changed my life these four days. I came here having never shared the gospel, and sharing the Boxes of Love helped me to know the gospel for myself. **I thank Jesus for bringing me from the bottom of a pit of darkness into the light.**" "I came to TCX with one foot in and one foot out of Christianity and now **I want to finish out my degree and go into missions.**"

Prayer Requests

1

Praise for God's work at TCX! Over 50 UW students committed to applying for Cru's summer mission trips around the country and around the world!

2

Pray for students as they rest and return to campus, that they would be refreshed in the Lord and return to Madison ready to apply what they learned at TCX and reach a dark campus with Christ's light.

During TCX, one day was dedicated to meeting both the spiritual and

physical needs of families in inner city Minneapolis and Saint Paul. Over the course of the day we

gave out thousands of boxes of food, shared the gospel with over 600 people, and 155 people indicated receiving Jesus as their Savior!
