Turning Lost Students into Christ-Centered Laborers on Madison Area Campuses

## "I know that God has a plan for me." Fall Getaway, 2012

For many, fall means pumpkin carving, caramel apples, leaf piles, and the nearness of winter. At Cru in the Madison area, fall means Fall Getaway! Staff and student volunteers spent the weeks beforehand preparing for and promoting our Fall Retreat, a weekend where students leave the hustle and bustle of Madison and head to Montello, WI to spend time in community and grow in their relationship with God. Natalie, a freshman, had never been to our

weekly gathering (Primetime) before, but another freshman in her dorm bible study (pictured at left), Rachel, boldly invited her to come to Fall Getaway! After seeing a last minute promotion, Natalie decided to come and signed up for the retreat which was happening the very next day! As Natalie shared about her experience at Fall Getaway she said, **"Before I doubted God, but after this weekend, I know that He has a plan for me and that I am enough for Him."** This is one story of many that were shared as the weekend came to a close. This is what you are investing in

with your prayers and support! Lives are being transformed and people are learning to depend on God for their strength and significance! Thank you for being a part of changed lives here at UW- Madison!

These international students attended Fall Getaway! As you can see from the photo it was a fun weekend. Students built great relationships as we studied God's Word together and enjoyed the fall!

## Prayer Requests

1

**Praise** for how God worked in students' lives at Fall Getaway! **Pray** He'd continue to draw students to Himself in time alone with God and community (Bible studies and large group gatherings like Primetime)

2

**Pray** for our movement as we seek to reach out to friends and family who don't know who Jesus is and how He has changed our lives
