Fishers Of Men

"Come, follow me," Jesus said, "and I will make you fishers of men." –Matthew 4:19

Turning Lost Students into Christ-Centered Laborers on Madison Area Campuses

October 1, 2012

So that everyone knows someone who truly follows Jesus

God is at work in amazing ways here in the Madison area bringing to life that mission statement! Here are photos from the first month on campus. **Thank you** for partnering with us: making this possible through your generous prayers, time and finances!

There are 130+ volunteer student leaders reaching UW-Madison campus for Christ! They gathered to be trained and encouraged at the end of August.

Primetime is the weekly meeting of Cru in Madison. Every Thursday students in all walks of faith gather to worship God and hear a speaker. 701 students came to the first gathering, where Jared Abberderis, a UW Badger football player shared about his faith and football career: **"That's not me, it's all God... I have to keep living for God."**

Prayer Requests

1

For our upcoming fall retreat. That God would use the time away from campus, the speakers, and discussion times to bring students into deeper relationships with Him

2

Praise for the spiritual conversations God has allowed students and staff to have! He is bringing students to Himself and as ministers of the Gospel in Madison we are privileged partner with you!
