COVID-19

AND ITS EFFECT ON
CAMPUS MINISTRY

I'm sure each of you has had your lives turned upside down in the midst of the precautions our country has advocated in light of this contagious virus.

It has been no different here on campus. On March 11th, the University of WI Madison canceled face-to-face classes and all other campus events and even closed the residence halls. A few days later, it was decided all classes would be online for the rest of the semester.

Quickly, we went from doing ministry like normal to cancelling all in person activities. Needless to say, figuring out how to move meetings, outreach and discipleship online has proved challenging! But we are committed to continue to be spiritual resources to students during this uncertain time. We know that people may be even more aware of their spiritual needs and we want to be there to point them to Jesus.

A RESOURCE FOR YOU

For many, fear and anxiety about what is going on in our world is starting to take hold. It's times like this where we start to wonder what the future will bring and what we can do about it.

Cru's evangelistic website, everystudent.com has posted an article bringing perspective to the current pandemic. Check it out and pass it on.
